**Explanation of Relief Sought**

Note: Relief can relate to conflicts over denial of access to records (Utah Code § 63G-2-402) as well as disputes over fees (Utah Code § 63G-2-203(6)) or extraordinary circumstances (Utah Code § 63G-2-402).

The State Records Committee can also use the weighing provision to order the release of records that are properly restricted if it determines that the interests favoring access are greater than or equal to the interests favoring restriction (Utah Code § 63G-2-203(11)).

On August 19, 2016 I requested from the Morgan County Attorney a copy of a particular email. That document affects my substantial rights. Morgan County, by way of Stacy Clark, responded with a partial email which omitted both the date and time. I do not want a modified record, but the complete email requested, which turns out to be a Dropbox invitation from \_\_\_\_\_ A Dropbox invitation is an email which, like any other email, would include the date and time thereof. I appealed this incomplete response to the Morgan County Chief GRAMA Administrator, Austin Turner, which appeal was ignored.
